Professional Summary:

Motivated Information Technology undergraduate seeking an internship or entry-level position where I can apply my skills in Python programming, web development, and problem-solving to contribute to organizational growth while gaining practical industry experience and enhancing my technical expertise.

Education:

Hindusthan College of Engineering and Technology, Coimbatore, 2023 – 2027 (Pursuing) B.Tech in Information Technology,

CGPA: 7.16 (up to 5th semester).

Kamaraj matriculation higher secondary special school, Chidambaram, 2021 – 2023

Higher Secondary Certificate (HSC) – 71%.

Kamaraj matriculation higher secondary special school, Chidambaram, 2021 Secondary School Leaving Certificate (SSLC) – Passed.

Technical Skills:

Programming Languages: Python, Java, SQL.

Web Technologies: HTML, CSS, React.js, Node.js.

Core Concepts: Data Structures and Algorithms, Object-Oriented Programming, DBMS fundamentals.

Tools: Git, GitHub, Visual Studio Code.

Internship:

Python Intern, Internpe.

- Developed Python-based mini-games using OOP principles, implementing modular architecture with functions, classes, loops, and conditionals to ensure maintainable and scalable code structure.
- Built core game features including score tracking, input validation, and level progression, applying debugging, performance optimization, and edge-case handling to ensure efficient and reliable execution.

Workshop:

Completed a rigorous 45-hour, 5-day intensive "Skill Development Entrepreneurship Training Program" focused on the Fundamentals of Robotics.

Gained industry-aligned insights through a program supported by the I-Hub Foundation for Cobotics (IHFC) – the Technology Innovation Hub of IIT Delhi.

Awarded an official certification by Zeekers Employment Private Limited (a DPIIT-recognized entity) hosted at Hindusthan College of Engineering and Technology

Certifications:

NPTEL: Elite in Cloud Computing.

Infosys Springboard: Introduction to Artificial Intelligence, Artificial Intelligence for All, Prompt Engineering.

Udacity: Introducing Generative AI with AWS.
